Climb Maryland!

A GUIDE TO CLIMBING IN CENTRAL MARYLAND

Mark "Indy" Kochte

Climb Maryland!

Covering over 500 routes in 22 areas, *Climb Maryland!* is the first comprehensive guide to the surprising wealth of climbing in central Maryland—from well-known climbing destinations to hidden crags practically at your doorstep.

In this guide you'll find:

- Multi-pitch routes & boulder problems
- More top-rope routes than you can shake a 'biner at
- Clear directions and maps to the crags
- Geology, history & known access issues
- Local places to eat and camp

Climbing abounds in central Maryland; get out there and get vertical!

"The definitive guide to Maryland rock climbing. 'Comprehensive' might be an understatement!"**—Eric J. Horst, author of *Rock Climbing: Virginia, Maryland, West Virginia***

"This well researched guidebook belongs in every daydreaming, future and 'has been' climbing bums' pack. A big thanks to Indy from all of us in the climbing community for doing the leg work."**—Chris Warner, owner of the EarthTreks Climbing Center**

"This guide book almost makes me want to move back to Maryland, from living in the mountains of Colorado."**—Rob Savoye**
